

To,

Director/Appellate Authority
Wildlife Institute of India, Chandrabani,
Dehradun

First Appeal under Right to Information Act

1. That I have submitted my RTI application Dated 24.1.2015 to your office. But after a lapse of approx two months, the reply is still awaited.
2. That intentionally your office is delaying the matter as it is direct case of partiality in awarding the tender.
3. That your office is trying to hiding the facts and trying to molds the actual situation by delaying the reply.
4. That public money is making disburse to someone's nears and dears in your office.
5. That as Appellate authority, you are required to impose per day penalty to the person causing delay in replying.

Plea: As the case may become the matter of inquiry, hence you are requested to send the reply as an early date.
