Admission to WII-AcSIR PhD program in Wildlife Science (August 2022 session)

Wildlife Institute of India, in affiliation with the Academy of Scientific and Innovative Research (AcSIR), an Institute of National Importance is inviting applications from interested researchers for Ph.D. positions in the field of Wildlife Science. The students will get their degree from AcSIR.

The admission for the next batch of PhD course (scheduled to start in August 2022) is ongoing and the advertisement has been uploaded at the AcSIR website (<http://acsir.emli.in/ACSIRAdmissionPortal/online-admission/portal/acsir-online-adm-portal/index.php#/>). All interested students are requested to follow the instructions in the link and send their applications to AcSIR. All relevant documents required are present as annexures.
