

TRAINING CUM SENSITIZATION WORKSHOP ON “RESCUE AND REHABILITATION OF AQUATIC FAUNA AND ROLE OF DIFFERENT STAKEHOLDERS IN BIODIVERSITY CONSERVATION OF GANGA RIVER ON 28th JUNE, 2017

DETAILED REPORT

The training-workshop was started at 9 o'clock in the morning with registration of each participant. Around 65 participants have attended the workshop. After registration Ms. Monika Sharma formally opened the workshop with speech and has given brief overview the workshop objectives and targets. After a brief introduction about the workshop the Dr. Sangeeta Angom, Training Coordinator formally welcomed the participants and conducted a small introduction round for each participant followed by a formal introduction by each team member. After that Dr. Sangeeta Angom presented a detail overview about the NMCG-WII project “Biodiversity Conservation and Ganga Rejuvenation”.

Date and Venue: The training workshop took place on 28th June 2017 at the Sabhagar Vikas Bhawan in Bulandshahr, Uttar Pradesh. The training team arrived at the venue one day before, on 27th June 2017, in order to meet for fine-tuning of the agenda and coordination of facilitation.

Training Team: The members of the training team were Dr. Sangeeta Angom, Training Coordinator, for facilitation of the training workshop, Ms. Monika Sharma, Project fellow, Programme Coordinator, Dr. Animesh Talukdar, Ms. Anuja Mittal, Dr. Aftab Alam Usmani and Mr. Bitupan Boruah presenters of the Workshop and Ms. Ekta Sharma workshop organizer.

Goal and Agenda: One day training cum sensitization workshop on Rescue and Rehabilitation of Aquatic Macro-Fauna and role of different stakeholders in Biodiversity Conservation of Ganga River.

Target Groups: Chief Veterinary Officer and Staff; Divisional Forest Officer and forest Guards; S.D.M. and Staff, Sadar; S.S.P, Bulandshahr; Chief Development Officer; District Magistrate, Bulandshahr.

The main session of presentations have been started by Mr. Animesh Talukdar, he talked about the principle and techniques of Rescue and rehabilitation. He explained about different tools and techniques required for saving the wildlife fauna of the River Ganga by mainly focusing on snakes, Gharial, Mugger, turtles and aquatic bird's diversity. He also discussed about the emerging wildlife diseases with special reference to River Ganga Fauna. Ms. Anuja Mittal presented on species biology and behaviour focusing on Turtles and Crocodiles. During her presentation she talked about the species taxonomy, distribution and different emerging threats of this species. She also highlighted the basic information about the veterinary science related to wildlife diseases of Turtles and Crocodiles. Subsequently, Mr. Aftab Alam Usmani presented on the Biology of Dolphin and gave a detailed overview on technique and tools helpful for Handling, Capture and rescuing the species. Mr. Bitupan Boruah gave a detailed overview on diseases of Amphibians with special reference to Frogs and Toad and their distribution pattern. During his talk he also explained the documented methods, tools and techniques to study the population status of Amphibians, taxonomy, distribution patterns and emerging chytridiomycosis diseases as one of the documented threat to Amphibian diversity. Each presentation was followed by questions and discussions round among the participants. Lastly, an open discussion was conducted considering each session. Most of the officers of different departments has suggested and appreciated the efforts made by training team of wildlife institute of India. The C.D.O, Mrs. Jaspreet Kaur and Superintendent of Police Mr. P.K Tiwari suggested and motivated the participants to spread the theme of this workshop at department levels which can directly help in restoration of biological diversity of River Ganga. During group discussion and suggestions each participant has given a feedback form, to score and suggest for improving the workshop and conducting in a more effective manner. In the

end, certificates were distributed to the participants by Superintendent of Police Mr. P.K Tiwari, Bulandshahr.

During the workshop, the participants learned about the importance of River Ganga and its biodiversity with special reference to Rescue and Rehabilitation of Aquatic Macro-Fauna and their role in conservation biodiversity and also appreciated the efforts and arrangements made by the NMCG-team. Following, Ms. Monika Sharma and Ms. Ekta Sharma ended the workshop with vote of thanks to participants.

जलीय जीव को बचाएंगे पशु डॉक्टर

भारतीय वन्य जीव संस्थान के अफसरों ने पुलिस व पशु चिकित्सकों की ली बैठक

अमर उजाला ब्यूरो

बुलंदशहर।

जैव विविधता संरक्षण व गंगा जीर्णोद्धार परियोजना के अंतर्गत भारतीय वन्यजीव संस्थान द्वारा जलीय जीवों के बचाव और पुनर्वास तथा गंगा नदी में जैव विविधता संरक्षण में विभिन्न हितधारकों की भूमिका निर्धारित करने के लिए विकास भवन में बुधवार को कार्यशाला का आयोजन हुआ। इसमें मुख्यातिथि जसजीत कौर, एसपी पीके तिवारी और मुख्य पशु चिकित्साधिकारी डॉ. केपी वाण्येय रहे।

वन्य जीव संस्थान की शोधकर्ता डॉ. संगीता अंगोम और मोनिका शर्मा ने योजना के उद्देश्य और उसमें प्रतिभागियों के सहयोग के महत्व पर

संरक्षण को लेकर हुई कार्यशाला में मौजूद अधिकारी।

प्रकाश डाला। उन्होंने बताया कि गंगा के जलीय जीवों को बचाने में पुलिस और पशु चिकित्सकों की अहम भूमिका रहेगी। सीडीओ जसजीत कौर ने जागरूकता को जैव विविधता संरक्षण तथा गंगा जीर्णोद्धार हेतु महत्वपूर्ण बताया। एसपी केपी तिवारी ने कहा कि

योजना में पुलिस विभाग का पूर्ण सहयोग मिलेगा। शोधकर्ता डॉ. अनिमेष तालुकदार ने जलीय जीवों के बचाव और पुनर्वास के तरीके तथा उनके विभिन्न धारकों की भूमिका पर प्रकाश डाला। अनुजा मित्तल ने कछुए और मगरमच्छों की प्रजातियों के विषय में चर्चा की।

आफताब आलीम उस्मानी ने डॉल्फिन और बिटुपन बरुआ ने मेढ़क प्रजातियों से संबंधित तकनीक बचाव और पुनर्वास के तरीके बताए। कार्यशाला का समापन एकता शर्मा ने किया और उपस्थित सभी ने इस कार्य में अपनी-अपनी सहभागिता करने का भरोसा दिया।

कार्यशाला में जलीय जीवों को बचाने पर दिया जोर

बुलंदशहर | वरिष्ठ संवाददाता

जैव विविधता संरक्षण तथा गंगा जीर्णोद्धार परियोजना के अंतर्गत भारतीय वन्य जीव संस्थान द्वारा जलीय जीवों के बचाव के लिए बुधवार को विकास भवन सभागार कक्ष में कार्यशाला का आयोजन किया गया। जिसमें विभागीय अफसरों ने लोगों को जलीय जीवों के बचाव के बारे में जानकारी दी।

कार्यशाला को संबोधित करते हुए सीडीओ जसजीत कौर ने कहा कि वन्य

जीवों के संरक्षण के लिए संस्था द्वारा किए जा रहे कार्य काफी सराहनीय है। वन्य जीव संस्थान के शोधकर्ता डा. संगीता अंगोम, मोनिका शर्मा, डा. अनिमेष तालुकदार ने जलीय जीवों के विभिन्न प्रजातियों पर प्रकाश डाला और उनके बचाव के उपाय बताए।

पुलिस अधीक्षक पीके तिवारी ने कहा कि जलीय जीवों के संरक्षण को लेकर ऐसी कार्यशालाओं का आयोजन होते रहने चाहिए। जिससे लोगों में जागरूकता आ सके।
