Dear Sir

WILDLIFE INSTITUTE OF INDIA
Right to Information Act, 2005
 Apl. No. 12 Qtr. 1 Year 2015-16
 Fee 1 Inward Date 9.6.2015
 Not received

This is with ref to a job posting for which i had applied in the month of January along with the demand draft as advised by your kind office . I had personally visited your office and submitted my full documents before the cutoff date .

Its surprising to see that even after so many months of advertisement for the post i have not heard from your office even for an interview call from your office.

I am sure that the kind of qualification and experience i hold (*my resume attached herewith*) i would have been the most eligible candidate, but i have not received any interview call or any communication from your office till date which is very surprising.

Under the right of information act, i would like to know how the post was filled and why i have not been contacted till date, i am attaching herewith the copy of the DD submitted for your kind ref and advise.

Looking forward to hear from you soon.

Thanks & Regards
Nalin Khanduri
