D.O. No. CS-14771/2014

September 20, 2014

Dear Secretary,

*AS (AP)*

*J.S. (AS)*  
*21/9/14*

As you are aware, Prime Minister has given a call for "Swachh Bharat" as a mass movement to realize Mahatma Gandhi's dream of a Clean India by the 150<sup>th</sup> birth anniversary of Mahatma Gandhi in 2019. He has desired that a nation-wide campaign be organized with the participation of all sections of society to bring about mass awareness and a lasting behavioural change to achieve this goal. In this context, it has also been proposed that an intensive national cleanliness campaign be undertaken beginning from 25<sup>th</sup> September, 2014.

2. Union Ministers of the Departments of Drinking Water and Sanitation and Urban Development have already written to Chief Ministers of States on this matter. Similarly, Secretaries of the Departments of Drinking Water & Sanitation and Urban Development have also written to Chief Secretaries/Administrators of States/UTs. I am sure other Ministries, too, are in touch with the corresponding Departments in States/UTs to ensure the widest possible dissemination of information regarding this campaign. I am writing to emphasize that every Ministry/Department should participate in this national endeavour and undertake cleanliness and awareness campaign in a befitting manner.

3. For a campaign of this nature to be successful, there is a need to create massive public awareness and to ensure participation and action for cleaning homes, government offices, schools, hospitals, work places, streets, roads and markets, railway stations and bus terminals, statues, monuments, rivers, lakes, ponds, parks and other public places. It is important to involve government and public sector officials at every level, non-government organisations, education and health institutions, rural and urban local bodies, self-help groups, youth organisations, resident & market associations as well as business & industrial Chambers and Associations in the cleanliness and awareness drives. A variety of activities such as pledge-taking, marches, marathons, debates, street plays, music and essay competitions, cleaning drives and other community activities may be used to focus public attention on this Campaign and on the need for cleanliness. Effective use of mass media such as radio, television and newspapers, digital media such as internet and mobile and direct media may be made in this regard.

4. In this context, I would like to especially underline the importance of cleanliness in Government offices. Upon the Prime Minister's directions, I had written to you in this regard earlier also, and you have been apprising me about the steps taken by your Department to promote a hygienic and clean work environment. You will agree that we need to continue this momentum with

renewed vigour to ensure cleaner government offices. In fact, the work in regard to cleanliness in Government offices/Public buildings needs to be taken to "the next level", so that there is visible and felt impact.

5. While the campaign will begin on 25<sup>th</sup> September, 2014, it has been decided that, on 2<sup>nd</sup> October, 2014, "Swachhta Shapath" (pledge) will be administered to all in government offices and public functions/events and cleanliness drive led by senior officers will be undertaken in all government and public offices. The text of the pledge will be sent to you separately. I would, therefore, urge you to take effective action in this regard, and to spread this message to all functionaries and ask them to organize and participate wholeheartedly in this campaign.

6. I look forward to hearing from you latest by 22<sup>nd</sup> September, 2014 on the state of preparation so that PM can be briefed on the comprehensive action plan & arrangements in respective of the following points:-

- Arrangements made to administer the pledge on 2<sup>nd</sup> October 2014 ✓
- Arrangements made for cleanliness drive and other events planned for 2<sup>nd</sup> October, 2014 ✓
- Action Plan of the Department in respect of activities/events/functions planned for the campaign from 25<sup>th</sup> September, 2014 onwards.

Yours sincerely,

Prime Minister

25th September, 2014

Dear Friends,

I am sure you have heard time and again that cleanliness is next to Godliness. Alas, things are often different when it comes to putting this into practice.

On 2nd October we are launching Swachh Bharat Mission, a massive mass movement, that seeks to create a Clean India. Cleanliness was very close to Mahatma Gandhi's heart. A clean India is the best tribute we can pay to Bapu when we celebrate his 150th birth anniversary in 2019. Mahatma Gandhi devoted his life so that India attains 'Swarajya'. Now the time has come to devote ourselves towards 'Swachchata' (cleanliness) of our motherland.

I urge every one of you to devote at least hundred hours every year, that is two hours every week towards cleanliness. We can't let India remain unclean any longer. On 2nd October I myself will set out with a broom and contribute towards this pious task.

Today, I appeal to everyone, particularly political and religious leadership, mayors, sarpanchs and captains of industry to plan and wholeheartedly engage in the task of cleaning your homes, work places, villages, cities and surroundings. I request your active support and participation in our collective quest to make a Swachh Bharat.

प्रिय मित्रों,

मुझे विश्वास है, आपने कई बार सुना होगा कि जहां स्वच्छता होती है वहीं देवताओं का वास होता है, लेकिन जब व्यवहारिकता की बात आती है तो स्थिति अक्सर विपरीत मिलती है।

हम, 02 अक्टूबर को भारत को स्वच्छ बनाने के लिए बड़े स्तर पर जन आंदोलन "स्वच्छ भारत अभियान" आरम्भ कर रहे हैं। वर्ष 2019 में जब हम बापू की 150वीं जयंती मना रहे होंगे तो एक स्वच्छ भारत उनको सच्ची श्रद्धांजलि होगा। महात्मा गांधी ने अपना पूरा जीवन स्वराज्य प्राप्ति के लिए अर्पित कर दिया, अब समय आ गया है कि हम अपनी मातृभूमि की स्वच्छता के लिए स्वयं को समर्पित कर दें।

मैं, आप में से हरेक से आग्रह करता हूँ कि स्वच्छता के लिए प्रत्येक सप्ताह दो घंटे यानि प्रतिवर्ष लगभग एक सौ घंटे का योगदान दें। हम अब भारत को और अधिक अस्वच्छ नहीं रहने दे सकते। 02 अक्टूबर को मैं स्वयं इस पावन कार्य के लिए झाड़ू लेकर निकलूंगा।

मैं, आज हरेक उस व्यक्ति, विशेषकर राजनीतिक और धार्मिक नेताओं, महापौर, सरपंचों और उद्योग जगत के अग्रजों से अपील करता हूँ कि वे शहरों और आसपास के क्षेत्रों, गांवों, कार्यस्थलों और यहां तक कि अपने घरों की स्वच्छता की कार्य-योजना बनाकर मनोयोग से उसे क्रियान्वित करने में जुट जाएं। मैं, स्वच्छ भारत के निर्माण के इस सामूहिक प्रयास में आप सबकी भागीदारी और सक्रिय योगदान का अनुरोध करता हूँ।

आपका,

नरेंद्र मोदी
