Registration & Reimbursement

The conference registration fee of Rs. 2000/- will be **waived for shortlisted abstracts** who will be provided accommodation in Keoladeo National Park with **awards for the most outstanding presentations.**

Call for Submissions

Presenters are requested to submit their research **abstracts (500 words; five key words) by 25-Dec-2022** of original and unpublished results about the management and conservation of Natural and Mixed World Heritage Sites **including potential & Tentative WHSs.** Details at: bit.ly/nc-c2c

Conference Aims

Natural and Mixed World Heritage Sites are the **most significant protected areas on Earth**, having large intact land and seascapes because of their **Outstanding Universal Values (OUVs)** offering a window into **the successes and challenges on the frontlines of conservation.** This conference aims to bring together eminent experts and agencies, site managers, researchers, educational institutes, NGOs and various other stakeholders associated with Natural and Mixed World Heritage Sites in the Asia and Pacific region **as well as potential & Tentative WHSs** to develop appropriate strategies to improve management of WHSs and ensure ecosystem services.

Conference Themes

- ◆ OUV (Flora & Fauna) & Threats
- ◆ WHS Management Practices
- ◆ Climate Change and Its Impacts
- ◆ WH & Eco-DRR
- ◆ Technology in Heritage Management
- ◆ Local Communities & Heritage
- ◆ Nature-Culture Linkages in WH
- ◆ Tentative List and Potential WH
