Advt. No. WII/ADVT. 1/RP-CELL/ August, 2026

Online Application Open Date: 15 August, 2026

Online Application Close Date: 29 August, 2026

Wildlife Institute of India (WII), an autonomous Institution under the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India, is an acclaimed Institution, which offers training program, academic courses and advisory in wildlife research and management. The institute is actively engaged in research and technical across the breadth of the country on biodiversity-related issues and other multidisciplinary areas. WII invites online applications from **INDIAN NATIONALS** to engage **22 different categories of positions** for various research projects.

Submit your **ONLINE APPLICATION-FORM** at the specific application portal, given in the link <https://wiirp.com/application.php> or obtain the link via scanning given QR Code. **No printed application copy will be considered.** For more details, may also visit Recruitments section of Wildlife Institute of India website <https://wii.gov.in/recruitments>. Applicants are advised to keep your all-scanned copies of certificates/documents related to Educational Qualification, Marksheets, Work Experience, Reserved Category, UGC/CSIR NET, Publications, any other Supporting Documents, Application Processing Fee Receipt, Passport Size Photo, Digital signature etc. ready in advance before filling the Online Application Form. The project details, along with position(s) which offers training program, academic courses and advisory in wildlife research and management to be engaged, EQ, DQ, Monthly Emoluments and other details of the advertised positions are given below:

S. No.	Details of the Advertised Positions	
01	Project Title	Study on Central Asian Flyway migratory birds in Sundarbans
01 (1)	Position	Project Associate-II
	No. of Position(s)	One (01)
	Monthly Emoluments	₹42,000 + HRA (for NET/GATE qualified candidates) ₹33,000 + HRA (for non-NET/ GATE qualified candidates)
	Age Limit	35 years
	Project Duration	Three years
	Essential Qualification(s)	Master's Degree Natural Sciences (Wildlife Science/Wildlife Biology/Zoology/Ecology /Environmental Science/Marine Biology/Marine Sciences/ Life Sciences) from a recognized University AND two years of research experience in wildlife/ecological studies after obtaining the Master's degree in R&D in Scientific Institutions or Scientific Activities and Services

S. No.	Details of the Advertised Positions	
		OR Four-year Bachelor's Degree (as per National Education Policy) in Wildlife Science/Wildlife Biology/Zoology/Ecology/Environmental Science/Marine Biology/Marine Sciences/Life Sciences or equivalent from a recognized University AND two years of research experience in wildlife/ecological studies after obtaining the Four-year Bachelor's Degree in R&D in Scientific Institutions or Scientific Activities and Services
	Desirable Qualification(s)	Candidates having strong bird identification skills, and previously worked on avian ecology, having hands-on research experience on bird capture and handling, and undertaken bird surveys/studies in West Bengal. Ability to speak Bengali language and effectively communicate with local communities is desirable.
	Description of Work	The selected candidate will be involved in extensive field surveys for population assessment of migratory shorebirds across the Sundarban Biosphere Reserve. The work will also include capture, handling, and satellite tagging of selected shorebird species for movement and migration studies, and habitat assessment. The candidate will also assist in documenting anthropogenic threats through field observations and questionnaire/interview-based surveys with local communities.
02	Project Title	Movement ecology and population connectivity of the endemic Nicobar Megapode (<i>Megapodius nicobariensis</i>) in the Nicobar archipelago
02 (1)	Position	Field Worker
	No. of Position(s)	One (01)
	Monthly Emoluments	24,000+HRA
	Age Limit	50 years
	Project Duration	One year (likely extended)
	Essential Qualification(s)	Graduation degree in any discipline from recognized institute/University
	Desirable Qualification(s)	Should be able to undertake arduous field work in remote locations in Nicobar Islands with limited logistics. Residents of Great Nicobar Island / Andaman and Nicobar Islands will be preferred.
	Description of Work	Assisting the research team in logistics, field data collection, and other project related activities in the Nicobar Islands.
03	Project Title	Conservation and Management of Sloth Bear in India – A Landscape based Initiative
03 (1)	Position	Project Associate-I (Government Liaison & Coordination)
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (for NET/ GATE qualified candidates) 30,000 + HRA (for non-NET/ GATE qualified candidates).
	Age Limit	35 years
	Project Duration	One year (<i>likely to be extended up to five years</i>)
	Essential Qualification(s)	Master's Degree in any Social Science Discipline (Geography/ Statistics/ Economics/ Public Administration/ Personnel Management/ Environmental Management/ Social Work/ Anthropology/ Economics/ Sustainable Development Practices/ Sustainability Science) from recognized institute/ University
	Desirable Qualification(s)	Experience in research related to sustainable development, natural resource management, wildlife conservation, or biodiversity. Demonstrated experience in qualitative and quantitative research, stakeholder consultations and engagement. Sound understanding of environmental governance and conservation policy. Strong skills in official communication, report writing, and coordination with multiple stakeholders.

S. No.	Details of the Advertised Positions	
		Demonstrated ability to analyse primary and secondary datasets using appropriate statistical tools and contribute to evidence-based planning and project implementation. Prior experience in human dimensions of conservation and working with governmental, non-governmental, and community stakeholders.
	Description of Work	Support the Project Personnel and perform Ministry-associated assignments in coordination and implementation of project activities across multiple sloth bear range states, particularly for facilitating fieldwork and data access. Serve as the point for coordination between bear-range States and MoEFCC for effective implementation of the Project. Facilitate inter-state meetings, official communications, ensuring timely follow-up on decisions and action points. Data procurement, support in preparation of reports, brief and presentations for review meetings. Support and maintain comprehensive documentation of communications, approvals and progress updates. GIS-based and basic analyses using primary and secondary data sets. Preparation of technical and scientific publications, monitoring frameworks and management-relevant outputs. Ensure adherence to project timelines and reporting requirements. Perform additional duties assigned by the PI. This position will primarily be based in MoEFCC, Delhi.
03 (2)	Position	Project Associate-I
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (for NET/ GATE qualified candidates) 30,000 + HRA (for non-NET/ GATE qualified candidates).
	Age Limit	35 years
	Project Duration	One year (<i>likely to be extended up to five years</i>)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Forestry Sciences from recognized institute/ University OR Master's Degree Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University.
	Desirable Qualification(s)	Experience or interest in wildlife field surveys and data collection. Familiarity with GIS or computer-based data handling and analysis are desirable. Willingness to undertake extensive fieldwork and support field teams across multiple landscapes in India. Experience or interest in basic laboratory or genetic workflows related to wildlife studies. Demonstrated experience in laboratory or genetic workflows related to wildlife studies.
	Description of Work	Support the Project Scientist, Principal and Senior Project Associates in data procurement and collection, genetic sampling, laboratory analysis and data analysis. Conducting field-based data collection related to sloth bear population and distribution, habitat use and human-bear conflict. Undertake extensive fieldwork across different landscapes and states as part of the project team. Compilation and organization of secondary data, field records, survey datasheets. Conduct/ assist in basic GIS-RS and computer-based data handling, database maintenance and analysis. Logistical arrangements and primary data collection during field surveys, including coordination with local staff, communities and other stakeholders. Collection, labeling, and documentation of non-invasive biological samples, following prescribed protocols. Interpretation of laboratory-based genetic analyses. Additional responsibilities may be assigned by the PI as required.

S. No.	Details of the Advertised Positions	
03 (3)	Position	Project Assistant
	No. of Position(s)	Two (02)
	Monthly Emoluments	27,000 + HRA
	Age Limit	35 years
	Project Duration	One year (<i>likely to be extended up to five years</i>)
	Essential Qualification(s)	Bachelor's Degree in Science (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences/ Agricultural/ Forestry) from recognized institute/ University. OR 3 years Diploma in Engineering & Technology
	Desirable Qualification(s)	Experience or interest in wildlife field surveys, data collection, and database maintenance. Familiarity with GIS, or computer-based data handling is desirable. Willingness to undertake extensive fieldwork and support field teams across multiple landscapes in India. Exposure to or interest in basic laboratory or genetic workflows related to wildlife studies. Willingness to undertake extensive fieldwork and support field teams across multiple landscapes.
	Description of Work	Support the Project Scientist, Principal and Senior Project Associates in data collection related to sloth bear population and distribution, habitat use and human-bear conflict, genetic sampling, laboratory analysis and data analysis. Compilation and organization of secondary data, field records, survey datasheets. Conduct/ assist in GIS and computer-based data handling, database maintenance and analysis. Logistical arrangements and data collection during field surveys, including coordination with local staff, communities and other stakeholders. Collection, labeling and documentation of non-invasive biological samples (e.g., scat). Undertake extensive fieldwork across different landscapes and states as part of the project team. Additional responsibilities may be assigned by the PI as required.
04	Project Title	Enhancing the functionality of the transboundary Kamdi-Suhelwa complex for the management of dispersing tiger populations, through a community- centered conservation approach
04 (1)	Position	Project Associate II
	No. of Position(s)	One (01)
	Monthly Emoluments	42,000 + HRA (NET or GATE qualified candidates) 33,000 + HRA (For non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University AND Two years of experience (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University AND Two years of

S. No.	Details of the Advertised Positions	
		experience (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Prior research experience on large mammals. Proven ability to write scientific report. Data analysis skills in program R, GIS skills and exposure to biometry relevant for Biologists. Scientific publications on tiger/ wildlife research would be desirable
	Description of Work	Design and conduct field surveys, data collection, and analysis, and report preparation. Carry out the tiger, prey, and habitat monitoring work as per the approved work plan in Sohelwa WLS. Carrying out training for frontline staff patrol-based monitoring using M-STrIPES and camera trapping and prey monitoring. Supporting frontline staff to conduct regular patrol-based monitoring. Support the biological monitoring team to conduct tiger, prey, and habitat monitoring work as needed
05	Project Title	Impact of Extended Reach Drilling/Horizontal & Deviation Drilling on the Above-Ground Biodiversity of Forest/Wildlife Areas in India
05 (1)	Position	Project Scientist – I (Ecology)
	No. of Position(s)	One (01)
	Monthly Emoluments	77,000 + HRA
	Age Limit	40 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Doctoral Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Forestry Sciences from a recognized institute/ University
	Desirable Qualification(s)	Research Experience in Ecological Modelling and Geospatial Analysis
	Description of Work	Candidate will lead a team and conduct field research, surveys, data collection, analysis and report-writing for assessing the presence of wildlife in the proximity of drilling and non-drilling sites in different habitat types. Job also includes liaisoning with ONGC and Oil India Limited.
06	Project Title	Monitoring of Wildlife Overpasses and Underpasses on Samruddhi Expressway
06 (1)	Position	Project Scientist – I
	No. of Position(s)	One (01)
	Monthly Emoluments	77,000 + HRA
	Age Limit	40 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Doctoral Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Forestry Sciences from a recognized institute/ University OR Master Degree in Engineering & Technology (Computer Science/Information Technology/ Remote Sensing/ GIS/ Data/Electrical Engineering/electronics & communication/AI Technology/Data Science) from recognized institute/ University
	Desirable Qualification(s)	Candidates having experience in project management, administration, and coordination of externally funded projects. Preference will be given to candidates with experience in Government of India office procedures, including e-Office, eFile, noting and drafting, official correspondence, liaison with government departments and stakeholders, project documentation, meeting coordination, procurement and administrative processes, and excellent proficiency in MS Office (Word, Excel, PowerPoint). Candidates with

S. No.	Details of the Advertised Positions	
		strong organizational, communication, and documentation skills will be preferred.
	Description of Work	The Project Scientist-I will assist in overall project management and administration, including coordination with government agencies and stakeholders, handling e-Office/eFile, noting and drafting official correspondence, maintaining project documentation and records, monitoring project activities, organizing meetings, supporting procurement and financial processes, and preparing reports and presentations using MS Office. The position is primarily managerial and administrative, with limited involvement in research activities
06 (2)	Position	Project Associate I
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (NET or GATE qualified candidates) 30,000 + HRA (For non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University
	Desirable Qualification(s)	Relevant Experience in Landscape ecology, Road ecology / linear infrastructure impacts, Animal movement ecology
	Description of Work	Conducting field-based monitoring of wildlife crossing structures (overpasses and underpasses) using camera traps and direct/indirect observation methods.
07	Project Title	Long Term Monitoring of tigers, co-predators and prey in tiger reserve and tiger bearing areas of Vidarbha, Maharashtra
07 (1)	Position	Project Scientist – I
	No. of Position(s)	One (01)
	Monthly Emoluments	77,000 + HRA
	Age Limit	40 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Doctoral Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Forestry Sciences from a recognized institute/ University
	Desirable Qualification(s)	Relevant Experience in Carnivore ecology, Population ecology / community ecology, Tiger and large carnivore monitoring Prey estimation studies Hands-on experience in Camera trap-based population estimation Line transect / distance sampling, Sign surveys (pugmarks, scat, scrape marks)
	Description of Work	Designing and overseeing scientific monitoring protocols for tigers, co-predators, and prey populations, Planning and supervising large-scale camera trap surveys and ensuring adherence to standardized methodologies.

S. No.	Details of the Advertised Positions	
07 (2)	Position	Project Associate I
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (NET or GATE qualified candidates) 30,000 + HRA (For non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/
	Desirable Qualification(s)	Relevant Experience and Specialization in Wildlife ecology, conservation biology, or population ecology, Dissertation focused on wildlife monitoring / carnivore ecology is highly desirable, Wildlife field surveys, Biodiversity monitoring projects, Direct experience in Tiger landscapes or large mammal studies
	Description of Work	Conducting field-based data collection including camera trap deployment, line transect surveys, and sign surveys for carnivores and prey species. Assisting in the design and execution of camera trap surveys for tiger and co- predator monitoring using standard protocols.
08	Project Title	Biodiversity Assessment, Conservation and Mitigation Plan for the Shamli–Gorakhpur High-Speed Access Controlled Corridor Project (Phase-I), Package 1A and 1B, Uttar Pradesh
08 (1)	Position	Principal Project Associate
	No. of Position(s)	One (01)
	Monthly Emoluments	67,000 + HRA
	Age Limit	40 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University AND Eight years of experience (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University AND Eight years of experience (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Candidates having experience in biodiversity assessment, wildlife ecology, linear infrastructure projects, preparation of wildlife mitigation plans, GIS and remote sensing, ecological data analysis, project coordination, report writing, and liaison with government agencies. Preference will be given to candidates with experience in National Highway or Expressway projects and multidisciplinary team management.

S. No.	Details of the Advertised Positions	
	Description of Work	The Principal Project Associate will coordinate biodiversity assessments, ecological surveys, and preparation of wildlife conservation and mitigation plans for the proposed high-speed corridor. The incumbent will supervise field teams, analyse ecological and spatial data, prepare technical reports, liaise with stakeholders, and provide scientific inputs for environmentally sustainable infrastructure planning.
08 (2)	Position	Project Associate II
	No. of Position(s)	Two (02)
	Monthly Emoluments	42,000 + HRA (for NET or GATE qualified candidates) 33,000 + HRA (for non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University AND Two years of experience (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University AND Two years of experience (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Candidates having experience in biodiversity assessment, wildlife field surveys, camera trapping, habitat evaluation, GIS and remote sensing, ecological data analysis, and report writing. Preference will be given to candidates with experience in linear infrastructure projects, wildlife mitigation planning, stakeholder coordination, and field-based ecological research.
	Description of Work	The Project Associate-II will conduct biodiversity and habitat surveys, deploy and monitor camera traps, collect and analyse ecological and spatial data, assist in preparation of wildlife conservation and mitigation plans, coordinate field activities, prepare technical reports, and support stakeholder consultations for the Shamli–Gorakhpur High-Speed Corridor project.
08 (3)	Position	Project Associate I
	No. of Position(s)	Two (02)
	Monthly Emoluments	37,000 + HRA (for NET or GATE qualified candidates) 30,000 + HRA (for non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized Institute/ University OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized Institute/ University

S. No.	Details of the Advertised Positions	
	Desirable Qualification(s)	Candidates having experience in wildlife field surveys, biodiversity assessment, camera trapping, habitat evaluation, GPS-based data collection, GIS and remote sensing, ecological data management, and report writing. Preference will be given to candidates with experience in wildlife studies The Project Associate-I will assist in biodiversity and habitat surveys, wildlife monitoring using camera traps, GPS-based field data collection, ecological data management, GIS mapping, preparation of technical reports, and support the development of wildlife conservation and mitigation measures for the Shamli–Gorakhpur High-Speed Corridor project.
09	Title of the Project	Biodiversity assessment, conservation and mitigation plan for the construction of 4/6 lane NH-744 crossing through Nellai Wildlife Sanctuary and ESZ of Shendurney Wildlife Sanctuary in Keralam and Tamil Nadu
09 (1)	Position	Senior Project Associate (GIS Specialist)
	No. of Position(s)	One (01)
	Monthly Emoluments	57,000 + HRA
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University AND Four years of experience (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University AND Four years of experience (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Candidates having experience in GIS and remote sensing applications for wildlife and biodiversity conservation, spatial database management, satellite image processing, habitat suitability and landscape connectivity analysis, GPS-based field data integration, and map preparation. Preference will be given to candidates with experience in linear infrastructure projects, wildlife mitigation planning, geospatial modelling, and proficiency in ArcGIS/QGIS, ERDAS/ENVI, and spatial analysis tools
	Description of Work	The Senior Project Associate (GIS Specialist) will undertake spatial analysis, satellite image processing, GIS database development, habitat and landscape connectivity mapping, integrate field and GPS data, prepare thematic maps, support biodiversity assessments, and provide geospatial inputs for wildlife conservation and mitigation planning for the NH-744 project.
09 (2)	Position	Project Associate II
	No. of Position(s)	Two (02)
	Monthly Emoluments	42,000 + HRA (for NET or GATE qualified candidates) 33,000 + HRA (for non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education

S. No.	Details of the Advertised Positions	
	Qualification(s)	Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University AND Two years of experience (after obtaining four years Bachelor's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University AND Two years of experience (after obtaining Master's degree) in R&D in Industrials or Science & Technology Institutions or Scientific activities and Services
	Desirable Qualification(s)	Candidates having experience in wildlife field surveys, biodiversity assessment, camera trapping, habitat and vegetation assessment, ecological data analysis, GIS and remote sensing, GPS-based field data collection, and technical report writing. Preference will be given to candidates with experience in wildlife studies and mitigation planning for linear infrastructure projects, particularly in protected areas and eco-sensitive zones.
	Description of Work	The Project Associate-II will conduct wildlife and biodiversity field surveys, deploy and monitor camera traps, assess habitats, collect and analyse ecological data, assist in GIS-based mapping, prepare technical reports, and support the development of conservation and mitigation measures for the NH-744 project through protected areas and eco-sensitive zones.
09 (3)	Position	Project Associate I
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (for NET or GATE qualified candidates) 30,000 + HRA (for non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University
	Desirable Qualification(s)	Candidates having experience in wildlife field surveys, biodiversity assessment, camera trapping, GPS-based field data collection, habitat and vegetation assessment, ecological data management, and basic GIS applications. Preference will be given to candidates with experience in wildlife research related to protected areas, eco-sensitive zones, and linear infrastructure projects, along with technical report writing and field coordination.
	Description of Work	The Project Associate-I will assist in wildlife and biodiversity field surveys, camera trap deployment and monitoring, habitat assessment, GPS-based data collection, ecological data management, GIS-assisted mapping, preparation of technical reports, and support the development of wildlife conservation and mitigation measures for the NH-744 project.

S. No.	Details of the Advertised Positions	
09 (4)	Position	Project Associate I (Vegetation)
	No. of Position(s)	One (01)
	Monthly Emoluments	37,000 + HRA (for NET or GATE qualified candidates) 30,000 + HRA (for non-NET or GATE qualified candidates)
	Age Limit	35 years
	Project Duration	One year (likely to be extended)
	Essential Qualification(s)	Four Years Bachelor's Degree (4 Yr BSc degree as per National Education Policy) in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural/ Forestry Sciences from recognized institute/ University OR Master's Degree in Natural Sciences (Wildlife Science/ Zoology/ Ecology/ Marine Sciences / Marine Biology/ Environmental Sciences/ Geoinformatics/ Life Sciences)/ Agricultural Sciences from recognized institute/ University
	Desirable Qualification(s)	Candidates having experience in vegetation ecology, floristic surveys, forest ecology, biodiversity assessment, plant identification, habitat and ecosystem assessment, GPS-based field data collection, and ecological data analysis. Preference will be given to candidates with experience in vegetation studies in protected areas and eco-sensitive zones, GIS applications, and preparation of technical reports related to linear infrastructure and wildlife conservation projects
	Description of Work	The Project Associate-I (Vegetation) will conduct floristic and vegetation surveys, identify plant species, assess forest composition and habitat characteristics, collect and analyse vegetation data, assist in GIS-based vegetation mapping, prepare technical reports, and support biodiversity assessment and mitigation planning for the NH-744 project .

GENERAL TERMS & CONDITIONS

1. Applicant(s) are advised to carefully read stated the terms & conditions and strictly follow the instructions while filling the application form. Educational details should be entered strictly as per mark sheets of education board/university.
2. Incomplete Applications (without proof for age, education qualification, research/ work experience mentioning start and end tenure date from employer/ guide/ supervisor, without passport size photograph and signature, application processing fee receipt, etc.) are liable to be rejected.
3. An Application Fee of **Rs. 500/-** (*Rupees Five Hundred only*) for the applicant(s) belonging to **General Category** shall have to be deposited through an online mode. However, candidate belongs to category **SC/ST/OBC/EWS (Non-General Category)** and **Physically Challenged (PC)** are exempted from the said Application Fee, but shall have to pay **Rs.100/-** as '**Application Processing**' Fee and shall be payable through **Online Banking/ NEFT/ RTGS/ Electronic Mode** to the following Bank Account:

PAYMENT DETAILS FOR OFFLINE MODE/ INTERNET BANKING	SCAN QR CODE FOR UPI PAYMENT
Account Name: RRP Cell Revolving/ Director Wildlife Institute of India Name of the Bank: Union Bank of India Branch: Wildlife Institute of India, Chandrabani, Dehradun – 248 001 Account No.: 518502010059776 IFSC Code: UBIN0551856	SCAN & PAY TO RRP CELL REVOLVING FUND  staticbp.a000000000023490@axisbank BHIM UPI BRICKS INTERFACES FOR MONEY UNIFIED PAYMENTS INTERFACE PhonePe Google Pay paytm

Note: Applicants can also submit Application Processing Fee through internet banking (NEFT/ RTGS) or via offline mode from any bank, using the bank details (Cash/ Demand Draft) provided above. Before paying through online/ electronic mode, kindly ensure the Account Holder Name “RRP CELL REVOLVING FUND/ Director Wildlife Institute of India”. After successful payment, please attach the receipt in the online Application Form.

- Applicant shall also have to upload a copy of the Application Processing Fee(s) deposited in the above-mentioned account and upload receipt followed by the WII-RP Cell online application portal link <https://wiirp.com/application.php>. Failing to upload the same shall lead to rejection of the application. Application/ Processing Fee is non-refundable once paid, even if the application is later rejected/ not short-listed or the applicant withdraws their application.
- A candidate may apply for a maximum of two advertised positions with relevance to his/her academic education and, as per essential and desirable requisites of an advertised position(s).**
- Candidate applying for more than one position shall have to submit separate online Application Forms along with the supporting documents and Application/Processing Fee for each position. Failing to this, the applications for which supporting documents are not attached will be rejected.
- Candidate(s) presently working/engaged with any WII's project or research activity or Ph.D. scholars must attach a recent “**NO OBJECTION CERTIFICATE**” (not more than one month older than last date of application) from their concerned Project Investigator/Supervisor/ Nodal Officer, as the case may be. Similarly, the candidate earlier worked at WII has to submit/ upload ‘**NO DUES**’ Certificate obtained from WII.
- Shortlisting of applicants for online interview will be based on essential qualification, age limit, percentage of marks in Bachelor's/ Master's Degree, specialization relevance in Masters, research experience and (Publications- Paper published in journals, books Paper Presented in Workshops/ Seminars/ Symposia/Conferences), as per WII rules.
- The selection of short-listed candidates for online interview(s) shall be done for different positions as per criteria stated below:

a) Field/ Lab / Project Assistant category

10. Mere fulfilment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for an interview. The decision of the Institute in all matters relating to eligibility, acceptance, or rejection of the application and mode of selection will be final and binding on the candidates. No inquiry or correspondence will be entertained from individual or agency.
11. Based on the above stated screening criteria, top ten (10) short-listed candidates against each respective advertised project/position shall be called for interview(s).
12. A duly constituted Selection Committee will conduct the recruitment process.
13. Selected candidates must produce all original documents/certificates at the time of joining for necessary verification.
14. At the time of the verification of original documents or even after selection, if it is found that the applicant has attempted to wilfully conceal, misrepresent or canvass the facts, such applicant will not be considered for selection or terminated, and due action will be taken. Relaxation in the upper age limit shall be applicable in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No. 15012/2/2010- Estt. (D) dated 27.03.2012, as amended from time to time.
As of now, the categories of upper-age relaxations are as follows:
 - a. Scheduled Castes and Scheduled Tribes up to 5 years.
 - b. Other Backward Class (OBC) up to 3 years.
15. The positions advertised are purely temporary basis for the project period as specified in the advertisement. These will stand abolished after the completion of the project.
16. Candidates not found suitable for a particular post as advertised may be considered for a position at a lower grade as per recommendations of the Interview Committee. In this regard, recommendations/ approval of the Interview Committee shall be considered as final, with due approval of the competent authority.
17. The Institute's rules and regulations govern the project's tenure and code of conducts of the selected candidates.
18. Canvassing in any form is liable to rejection of the candidature
19. The list of shortlisted candidates for interview and the result of interview will be uploaded in "Latest News & Announcements" section of the Institute's website <https://wii.gov.in/news> The selected candidates have to join the project position immediately within given duration given in the Offer Letter.
20. The Director, WII, reserves the right to reject any application/candidature with or without assigning any other reason(s), thereof.
