Government of India, and based at Chandrabani, Dehradun, Uttarakhand, hereafter referred to as the **feasibility assessment agency**

This agreement shall come in force on the day of signing of this MoU.

Introduction

Vide the Office Memorandum number 2915/x-2-2017 dated 29 December 2017, it has been decided by the State Government of Uttarakhand, that Ecotourism Corporation of Uttarakhand Ltd (EDCUL) shall be the **Nodal Agency for Upgradation/Construction of Link Road between Kotdwar and Ramnagar (hereafter referred to as the project)** and the work of construction will be entrusted to the NBCC, on the concept of Development of Green Linear Infrastructure developed by the WII, adopting all possible eco-friendly measures for minimizing impacts of construction of this road on wildlife.

It has been decided that the Implementing Agency shall initially conduct feasibility study with technical help of WII, based on the concept of development of linear infrastructure with minimum impacts on wildlife. Implementing agency shall submit the feasibility study report with clear delineation of alignment of the aforesaid road to the Nodal Agency for obtaining necessary approvals under extant laws.

Based on such feasibility study report, the Nodal Agency and Implementing Agency shall collectively work for obtaining necessary approvals under Wildlife Protection Act, Forest Conservation Act and any other Act, as applicable. Based on approved feasibility report, and after obtaining all necessary approvals from the Competent Authority, under extant laws, the Implementing Agency will carry out other related works such as detailed design, cost estimation and construction works, as deposit work on turnkey basis, on the terms and conditions, hereby, agreed to, between the parties, set forth as under:

1.0 DEFINITIONS

In the Agreement, the following words and expressions, unless the context otherwise requires, have the following meaning: -

- i) **State Government** means the Government of Uttarakhand.
- ii) **Nodal Agency** means Eco-Tourism Development Corporation of Uttarakhand Ltd. (EDCUL), Uttarakhand, Dehradun.
- iii) **Competent Authority** includes State Wildlife Board, National Tiger Conservation Authority, National Wildlife Board and any other Statutory Authority under Wildlife Act, Forest Conservation Act or any other applicable law.
- iv) **Approval** means approval in writing by the designated officer of the Nodal Agency.
- v) **Implementing Agency** means the National Buildings Construction Corporation Limited or NBCC (India) Ltd., New Delhi.

- vi) **Feasibility assessment Agency** means the Wildlife Institute of India or WII, Dehradun

2.0 RESPONSIBILITIES OF FEASIBILITY ASSESSMENT AGENCY

- 2.1 Subsequent to signing of this agreement, the Feasibility Assessment Agency will conduct a feasibility study on the "Assessment of the proposed Kotdwar-Ramnagar Kandi Road and review of the feasible options to promote green infrastructure to address the impacts on wildlife values", as per the technical proposal prepared by the Feasibility Assessment Agency and submitted to the Implementing Agency, and annexed herewith (**Annexure I**).
- 2.2 Subsequent to the signing of the agreement, the Feasibility Assessment Agency will carry out the feasibility study as per the following timeline:

S.No	Work Details	Approximate Duration	Milestone
1	Date of start of Feasibility Study	March, 2018	Start
2	Completion of Feasibility Study	9 months (December 2018)	Submission of feasibility study report with clear delineation of alignment and other mitigation measures jointly by NBCC and WII
3	Submission of final report	Up to January 2019	Final submission of feasibility study report based on the inputs of NBCC on WII's recommendations

- 2.3 Based on the feasibility study report and proposed alignment for construction/upgradation of the aforesaid road between Kotdwar and Ramnagar, WII will help and facilitate the Implementing Agency in obtaining necessary approvals from the Competent Authority under Wildlife Act, Forest Conservation Act and any other extant laws applicable.

3.0 RESPONSIBILITIES OF THE IMPLEMENTING AGENCY

- 3.1 Funding for this feasibility study will be provided by the Implementing agency as per the financial proposal submitted by the Feasibility Assessment Agency for a total amount of Rs. 314.20 Lakhs as annexed herewith (**Annexure-II**).
- 3.2 The Implementing Agency will adhere to the road alignment and mitigation measures for green infrastructure proposed by the Feasibility Assessment Agency based on their study.

4.0 PAYMENT TERMS

Funds will be disbursed by the Implementing Agency to the Feasibility Assessment Agency as per under:

- a) 10% of the total amount as mentioned in Financial proposal at Annexure II will be payable subsequent to signing of the **MoU**, as the first instalment.
- b) Subsequent payments will be made on the receipt of invoices from the Feasibility Assessment Agency i.e. Wildlife Institute of India during various stages of the feasibility study.

It will be ensured that the above payments shall be made by the Implementing Agency to the Feasibility Assessment Agency on receipt of funds from Nodal Agency in a timely manner so that the study is not hampered on account of funds. The time-lines for the study have been given by the Feasibility Assessment Agency on the condition that funds would be made available in a timely manner.

5.0 LIQUIDATED DAMAGES

Feasibility Assessment Agency shall be required to complete the tasks within the period stipulated in this agreement. In case of delay, which may occur due to the reasons beyond the control of Implementing Agency, it would approach the Implementing Agency with full details, giving reasons thereof, for extension in time limit for completion of the works. Any dispute will be amicably settled, and if that is not feasible, then both parties will approach the Nodal Agency for resolving the dispute.

6.FORCE MAJEURE

The Feasibility Assessment Agency shall not be considered in default if delay in completion of the work occurs due to cause beyond its

control such as acts of God, natural calamities, civil wars, fire, strike, frost, floods, riots and acts of unsurpassed power. The Feasibility Assessment Agency shall notify 'Nodal Agency' in writing within ten days from the date of such occurrence. In the event of delay due to such causes, the completion schedule will be extended for a length of time equal to the period of force majeure. Any expenditure incurred by the Feasibility Assessment Agency during the period of force majeure shall be reimbursed by the Implementing Agency. In case of closer of work due to the force majeure, any liabilities towards contractor and/or expenditure of the Feasibility Assessment Agency shall be payable by the Implementing Agency.

Feasibility Assessment Agency shall not hold responsible any contractor/ agency for the delay/ stoppage of work due to force majeure conditions like natural calamities, civil disturbance, war, etc. and for losses suffered if any, by the Implementing Agency on this account. The Feasibility Assessment Agency shall also not be able in any way to bear such losses and no compensation of any kind whatsoever will be payable by the Feasibility Assessment Agency to The Implementing Agency. Suitable force majeure clause shall be incorporated in all the agreement entered into by the Feasibility Assessment Agency with the contractors/ agencies.

7. JURISDICTION

This agreement is subject to the jurisdiction of Uttarakhand High Court.

Signed at Dehradun on this day as mentioned above.
