Text of Application

This is regarding the MSc program in Wildlife Science offered by Wildlife Institute of India, Dehradun. All the set of Previous Year Question papers viz. for admission to MSc program are missing or are not available in their site (<https://www.wii.gov.in/>) nor in their site map, the admission to MSc program that takes place in every odd year viz. : 2017, 2015, 2013, 2011, 2009, 2007, 2005, 2003, 2001, ... Normally all other central government institutes for education, learning and research provide the whole database of Previous Year Question papers for admission to various programs for the benefit of student community and aspirants. The mere lack of all and every set or the database of every odd year Question paper would harm the student community and devoid them of basic access to resources. I hereby request the concerned department/authority to take necessary steps and upload them in their respective site.
