Sub: Sample for Analysis.

Sir,

With reference to your letter no. DCF/1084/WILDLIFE/2017-18 dt. 18.08.18 alongwith one sealed packet for species identification, I have been directed to acknowledge receipt of the same.

Based on the examination of evidence property, the lab analysis fee of the case property is Rs 15000/-. The amount may be sent through demand draft in the name of Director WII or electronic wire transfer so that work may be initiated. In case of electronic transfer/direct deposit, a letter indicating details of case no. and WII code no. of the case may kindly be sent separately for initiation of analysis work. Bank details are as under :

Account no. : 518502010053911
Name of bank : Union Bank of India
Address : Branch Chandrabani, Dehradun
IFSC Code no. : UBIN0551856

It will take two months to complete the analysis work on receipt of lab analysis fee in case evidence case sample is not degraded. If sample is degraded or of poor quality, there are chances that we may or may not get the results. Therefore it is difficult to define time limit to complete the analysis work in such cases.

Yours Faithfully,
