Sub.: Information under Right to Information Act, 2005- reg.

Ref.: Your RTI Application dated 17.9.2015

Sir,

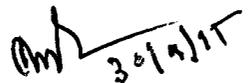

Please refer to your RTI application cited above regarding the information asked by you under RTI Act, 2005. In this connection, the required parawise information as asked under your above RTI application has been collected from the concerned officer of the Institute and is attached herewith in 77 pages.

In case you are not satisfied with this reply and want to appeal as per the provisions of RTI Act, 2005, the address of Appellate Authority is being given as follows:

Dr. V.B. Mathur, Director & Appellate Authority, Wildlife Institute of India,  
Chandrabani, Dehradun – 248 001, Ph.: 0135-2640910.

Thanking you,

Yours faithfully,

  
(A.K. Bhardwaj)  
CPIO I/c

WILDLIFE INSTITUTE OF INDIA

No. RTI/2015/ADMN

Dated 17<sup>th</sup> September 2015

Sub: Request for information under Right to Information Act – 2015 – reg.

Reference CPIO Note dated 15.09.2015 regarding RTI application of Shri Gopal Kumar Gupta, Haridwar seeking following information/document in respect of Dr. Malvika Onial:-

(i) **Application against advertisement No. WII/UNESCO/C2C/2014(A):** The required information pertaining to the application of Dr. Malvika Onial for the post of Scientist-E in C2C has already been furnished by Shri Kehar Singh, PA to Director vide his email dated 12.9.2015. A copy of the email dated 12.9.2015 is attached as **Annexure-1**.

(ii) **Application against advertisement No. WII/ADM/2015-16/01:** The application of Dr. Malvika Onial for the post of Scientist-D in WII is attached herewith as **Annexure-2**. In this connection, the email dated 11.9.2015 of Registrar, WII may kindly be seen (**Annexure-3**) wherein it is mentioned that the information on the Direct Recruitment for the post of Scientist-D at WII cant be given at this point of time because recruitment process for these posts is in progress and the request is premature and providing of information at this point of time may vitiate the recruitment process.

Submitted please.

CC: Registrar <registrar@wii.gov.in>, pka <pka@wii.gov.in>, "Director, WII" <dwii@wii.gov.in>

Sir,

As per direction by the Director, Application form along with all attachment in respect of Dr. Malvika Onial, Scientist 'E' C2C, WII Dehradun against the advertisement no. WII/ADM/2015-16/01 and WII/UNESCO/C2C/2014 (A) under the RTI Act 2005 is sent herewith as an attachment for your kind information and further necessary action please.

Regards.

Kehar Singh  
PA to Director

On 11-09-2015 16:41, Registrar wrote:

Dear Shri Aggarwal,

The RTI application pertain to two recruitments of which one has attained finality while for second one the recruitment process is on. The information as requested regarding the recruitment already made (C2C of UNESCO), information be provided to CPIO at an early date. The information on the direct recruitment for posts of scientist D at WII can't be given at this point of time because recruitment process for these posts is in progress and it may be informed that the request is premature and providing of information at this point of time may vitiate the recruitment process.

**Sub:** Application for the post of faculty/scientist at UNESCO Category 2 Centre (C2C) on 'World Natural Heritage Management and Training for the Asia-Pacific Region' at Wildlife Institute of India, Dehradun.

Sir,

I would like to submit my application for the post of faculty/scientist on contract basis at UNESCO Category 2 Centre (C2C) 'World Natural Heritage Management and Training for the Asia-Pacific Region' at Wildlife Institute of India, Dehradun.

I believe that my prior work experience makes me a suitable candidate for this position. Please find enclosed my detailed application along with certified documents as per the requirements.

Thanking you,

Yours Faithfully

7. *Present pay band/position held:*  
*Total emoluments drawn:*

Consultant, Wildlife Institute of India  
Rs. 50,000 pm.

8. *Details of experience of working in Protected Areas Wildlife Research, Conservation and Management including natural world heritage conservation (maximum 2 pages only)*

I have been working the field of Protected Areas Wildlife Research, Conservation and Management including natural world heritage conservation for nearly fourteen years. My recent and current work at the Wildlife Institute of India as a Consultant in a project on the preparation of India's Fifth National Report to the Convention on Biological Diversity (CBD) and updating of the National Biodiversity Action Plan (NBAP) involves extensive review of conservation of biodiversity in India at the levels of policies, plans, programmes and activities including conservation through Protected Areas (PAs), Natural World Heritage Sites (WHS) and other area-based conservation measures as well as wildlife research and management. Through this work, an important understanding was gained of the CBD's Programme of Work on Protected Areas (PoWPA) and its implementation globally and in India and its role in offering an effective framework in supporting the CBD and the World Heritage Convention (Convention Concerning the Protection of the World Cultural and Natural Heritage). A key part of the work involved developing National Biodiversity Targets and biodiversity indicators and monitoring framework. As area-based conservation measures including PAs, World Heritage Sites and Biodiversity Heritage Sites are a crucial element of national biodiversity conservation strategy, indicators were developed to measure biodiversity status and monitor trends for reporting and reviewing using systematic and feasible methods.

Under the project, I also contributed in organizing and conducting several national and regional consultations and workshops for involvement of various stakeholders in the process of preparation of the National Report to the CBD and updating of NBAP.

Prior to my current assignment, I have worked as a Professional Associate and Consultant at The Biodiversity Consultancy, Cambridge for/in collaboration with international organisations such as Fauna and Flora International, BirdLife International, the International Union for Conservation of Nature (IUCN) and the International Finance Corporation (IFC/The World Bank) as well as major global corporations in infrastructure development and industrial sectors. I gained valuable experience in assessing and reviewing impacts and their management particularly related to critical habitats for wildlife, PAs, World Heritage sites and areas of high biodiversity value as well as monitoring and evaluation for biodiversity under international and national requirements for biodiversity and sustainable development as per principles and standards such as those of the Convention on Biological Diversity (CBD), the World Heritage Convention, and the International Finance Corporation (IFC) Performance Standards for Biodiversity.

In 2012-2013, I carried out an assessment of biodiversity for the Humayun's Tomb World Heritage Site - Sunder Nursery - Hazrat Nizamuddin Basti project of the Aga Khan Foundation and the Aga Khan Trust for Culture, New Delhi as part of a study by Nature Science Initiative. The project combines conservation of cultural heritage with nature and environment conservation and socio-economic development while working with local communities and stakeholders. This study involved monitoring and management of

biodiversity across seasons in a year in areas under restoration of natural and cultural heritage as well as engagement with the local communities living around the site and the public.

I gained valuable experience at the IUCN Species Programme, Cambridge whilst working as a volunteer particularly in species' threat status criteria and assessment and in the Species Information Service (SIS) information and management system for global threat status assessments and contributed to review of Global Assessments for the Indo-Burma region for freshwater biodiversity.

I carried out extensive research leading to a Ph.D. degree, wherein I analysed the responses of biodiversity across low to high yielding land-use intensities through an empirical study of the relationship between agricultural yields and population densities of wildlife in the upper Gangetic plain. My research involved data collection and analyses of biodiversity and also socio-economic data that involved interview-based surveys of farmers, forest field staff and management and relevant stakeholders. Results from the study (published in the journal *Science* - please see section "9. Any other relevant information - Publications") underlined the need to develop strategies for increasing agricultural production while minimizing its impacts and suggest targeting conservation efforts in Protected Areas and reserves as well as in conserving species of conservation concern in areas under human land use and the wider landscape.

During my earlier work at the Wildlife Institute of India (WII) as a junior research fellow and as a project person at the EIA cell, I conducted research work and surveys for ecological assessment of impacts of linear infrastructure and extractive industry on PAs and wildlife. I contributed in the formulation of the UN Foundation (UNF) – UNESCO project "Development of World Heritage Biodiversity Programme for India (WHBPI 2002-2005) Phase I" at WII.

More recently, I have contributed to the WII – UNESCO project "Climate Change Adaptation Workbook – Responding to Climate Change: A Guide for Managers of Natural World Heritage Sites 2012-2013".

I have also gained valuable experience in teaching, training and conservation awareness and outreach programmes for practitioners, PA managers, forest department frontline staff, local government personnel, corporate personnel, members of local communities and the public, and University students (Please see section "9. Any other relevant information" for details).

#### *9. Any other relevant information*

##### **Teaching, training, awareness and outreach**

- Training inputs in 'Biodiversity in EIA' training programme at the **South Asian Environmental Assessment Conference (SAEAC 2013)**, Islamabad, Pakistan (December 2013).
- Teaching and training Masters course students of **Ambedkar University, Delhi** in **human ecology** under the field training course at the Palpur Kuno Wildlife Sanctuary rehabilitation villages, Madhya Pradesh (October 2011); inputs in developing and teaching **EIA** module (2013).
- Teaching inputs in the Masters degree courses in **Environmental Science** and **Natural Resource Management** at the **Doon University**, Dehradun (2011-12, 2013-14).

- Supervising and small group teaching for final year undergraduate students for the **Conservation Science** module, Department of Zoology, **University of Cambridge** (Lent Term 2011).
- Teaching inputs in the **Wildlife Institute of India (WII)** as guest lecturer for the XI **MSc Wildlife Science** course - Ornithology module (November 2007).
- Training inputs in the **Wildlife Institute of India (WII) Diploma Course: Environmental Impact Assessment Training Programme** (2001-2002 and 2004-2005).
- Guest Lecturer, **MKP (PG) College (H.N.B. Garhwal University)**, Dehradun (2001-2004) for the BSc III year course in **Forestry & Wildlife Management**.
- Training inputs in **bird tourism** and **community-based ecotourism** programmes of the **Uttarakhand State Forest Department**, Uttarakhand (2012-2014).
- Inputs in **nature awareness** and **birdwatching programmes** for students of **Tibetan Homes Schools**, Rajpur and Paonta Saheb (2013).
- Organising and participation in programmes on **environment awareness** and **tree plantation** for schools and literacy centres, **University Women's Association**, Dehradun (2011-2013).
- Organising and presentation for outreach and dissemination on **National Biodiversity Targets** at the **CMS Vatavaran Wildlife Film Festival and Forum** - Wildlife Institute of India (Principal Knowledge Partner), New Delhi (Jan-Feb 2014).

#### **Conferences, workshops, seminars and training** (organised/participated/attended)

- Participation in zoology event at the Science Festival - Glasgow, University of Glasgow, U.K. (*forthcoming* - June 2014).
- Abstract submitted for animal biology session to the international conference of the Society for Experimental Biology, Manchester, U.K. (*forthcoming* - July 2014).
- Enrollment in Programme of Work on Protected Areas (PoWPA) Module 5: PA Threats and Restoration (*forthcoming* - June 2014).
- Organising and participation in Workshop on '**Mainstreaming Gender in Biodiversity Conservation**', Wildlife Institute of India, February 2014.
- Organising and participation in Workshop on '**Technology Needs Assessment for Biodiversity Conservation**', Wildlife Institute of India, February 2014.
- Participation in **Bird Festival Workshop – Avian research in the Western Himalaya**, Uttarakhand Forest Department, Wildlife Institute of India, Dehradun, February 2014.
- Organising and presentation for outreach, dissemination and twelve sessions on **National Biodiversity Targets** at the **CMS Vatavaran Wildlife Film Festival and Forum** - Wildlife Institute of India (Principal Knowledge Partner), New Delhi, Jan-Feb 2014.
- Presentation in the **National Workshop for State Biodiversity Boards, National Biodiversity Authority**, Chennai, January 2014.
- Organising as volunteer and participation in Workshop on Mountain Cities, **The Mountain Initiative and Centre for Public Policy**, Doon University, IBS National Academy of Administration, Mussoorie (January 2014).
- Organising and presentation in Workshop on Integrating biodiversity conservation with **State Climate Change Action Plan, Uttarakhand**, Dehradun, December 2013.

- Training inputs in 'Biodiversity in EIA' training programme at the **South Asian Environmental Assessment Conference (SAEAC 2013)**, Islamabad, Pakistan, December 2013.
- Invited Lead Talk at the **International Conference on Indian Ornithology**, Birds - Ecosystem Services and Functions: Symposium on Birds and Ecosystem Associations, Salim Ali Centre for Ornithology and Natural History (SACON), Coimbatore, November 2013.
- Participated in **IUCN Workshop on Key Biodiversity Areas (Governance)** at the Ministry of Environment, Government of Brazil, Brasilia, November 2013.
- Organising and participation in **National Stakeholder Consultation** on Fifth National Report to the CBD and updating National Biodiversity Action Plan, New Delhi, July 2013.
- Participated in Workshop on Field Testing and Improving the Draft **Climate Change Adaptation Field Guide for Natural World Heritage Site (WHS) Managers**, Dehradun, April 2013.
- Participated in Round Table on **Advancing Biodiversity Informatics for Sustainable Development**, India International Centre, New Delhi, March 2013.
- Agriculture and wildlife conservation in the upper Gangetic plain, India: Virtual poster for the International Meeting of the **Association for Tropical Biology and Conservation**, Bali-Indonesia, July 2010.
- Farming and wildlife conservation in India: Oral presentation at the **Student Conference on Conservation Science (SCCS)**, Cambridge, United Kingdom, 2009.
- Conservation in agricultural landscapes: Poster presentation on 'Conservation in agricultural landscapes' at the **CCF Symposium and International Association for Landscape Ecology** - UK, 2008.
- Oral presentation on 'Conservation in human-dominated landscapes' at the **Ecology Seminar Series**, Department of Zoology, Cambridge, United Kingdom, 2008.
- Trained in **Introductory and Advanced Techniques and Recent Developments in Distance Sampling**: Workshop, Centre for Research into Ecological and Environmental Modelling, University of St. Andrews, UK, 19-27 Aug. 2008.
- **Spatial Analysis Using GIS**, Methodology Institute, London School of Economics, London, 2003.

Sub: Joint CSIR-UGC Junior Research Fellowship (JRF) and Eligibility for Lectureship - National Eligibility Test (NET) held on 1<sup>st</sup> July, 2001.

Sir: Madam,

I am directed to inform you that you have qualified in above examination for consideration for award of Junior Research Fellowship in subject LIFE SCIENCES under the CSIR fellowship schemes. The award of fellowship will be subject to your securing the eligibility conditions contained in the notification published with the application form in the employment news dated 3-9 February, 2001 by verifying age proof, M.Sc (final) marksheet, Caste certificate within the validity of one year (i.e. upto 31.12.2002) for those who were M.Sc for awarding fellowship by the awarding authorities. "For Result Awaited" M.Sc candidate, the final certificate or the degree along with other relevant papers must be submitted to the awarding authorities before 31.12.2002 otherwise their candidature will be deemed cancelled after 31.12.2002. The offer of CSIR Junior Research Fellowship is valid for a period of one year with effect from 1-1-2002 AND IS NOT EXTENDIBLE.

*You have also been declared eligible for lectureship* as per the rules of the University Grants Commission. Further information in this regard can be had from the Joint Secretary (NET), University Grant Commission, Delhi University, South Campus, Benito Zareaz Marg, New Delhi 110021.

For the purpose of fellowship, you are advised to get the enclosed form duly completed by the guide and sponsoring institute of your choice and forward the same to the Under Secretary, EMR, CSIR complex, Library Avenue, Pusa New Delhi-110012, along with attested copies of High School/Matriculation / SSC certificate as proof of date of birth, degree of M.Sc and marksheet (55% marks in case of General/OBC and 50% marks for SC/ST), caste certificate in case of SC/ST/OBC candidates on the prescribed proforma issued by the authority notified by the Govt. of India with a recent passport size photo affixed on the joining report. You can not join/avail the fellowship before 1<sup>st</sup> January, 2002 (or the actual date of joining after 1<sup>st</sup> January, 2002).

**This letter may be preserved and treated as a certificate.**

In the event of your having been found ineligible due to any reason (including unintentional computer error or printer's devil, etc.) at any stage in future for the award, the award may be withdrawn by the CSIR at any time.

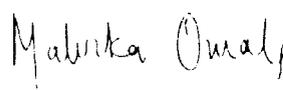

This offer of award of CSIR JRF shall remain open for one year w.e.f. 1-1-2002

Kindly acknowledge the receipt.

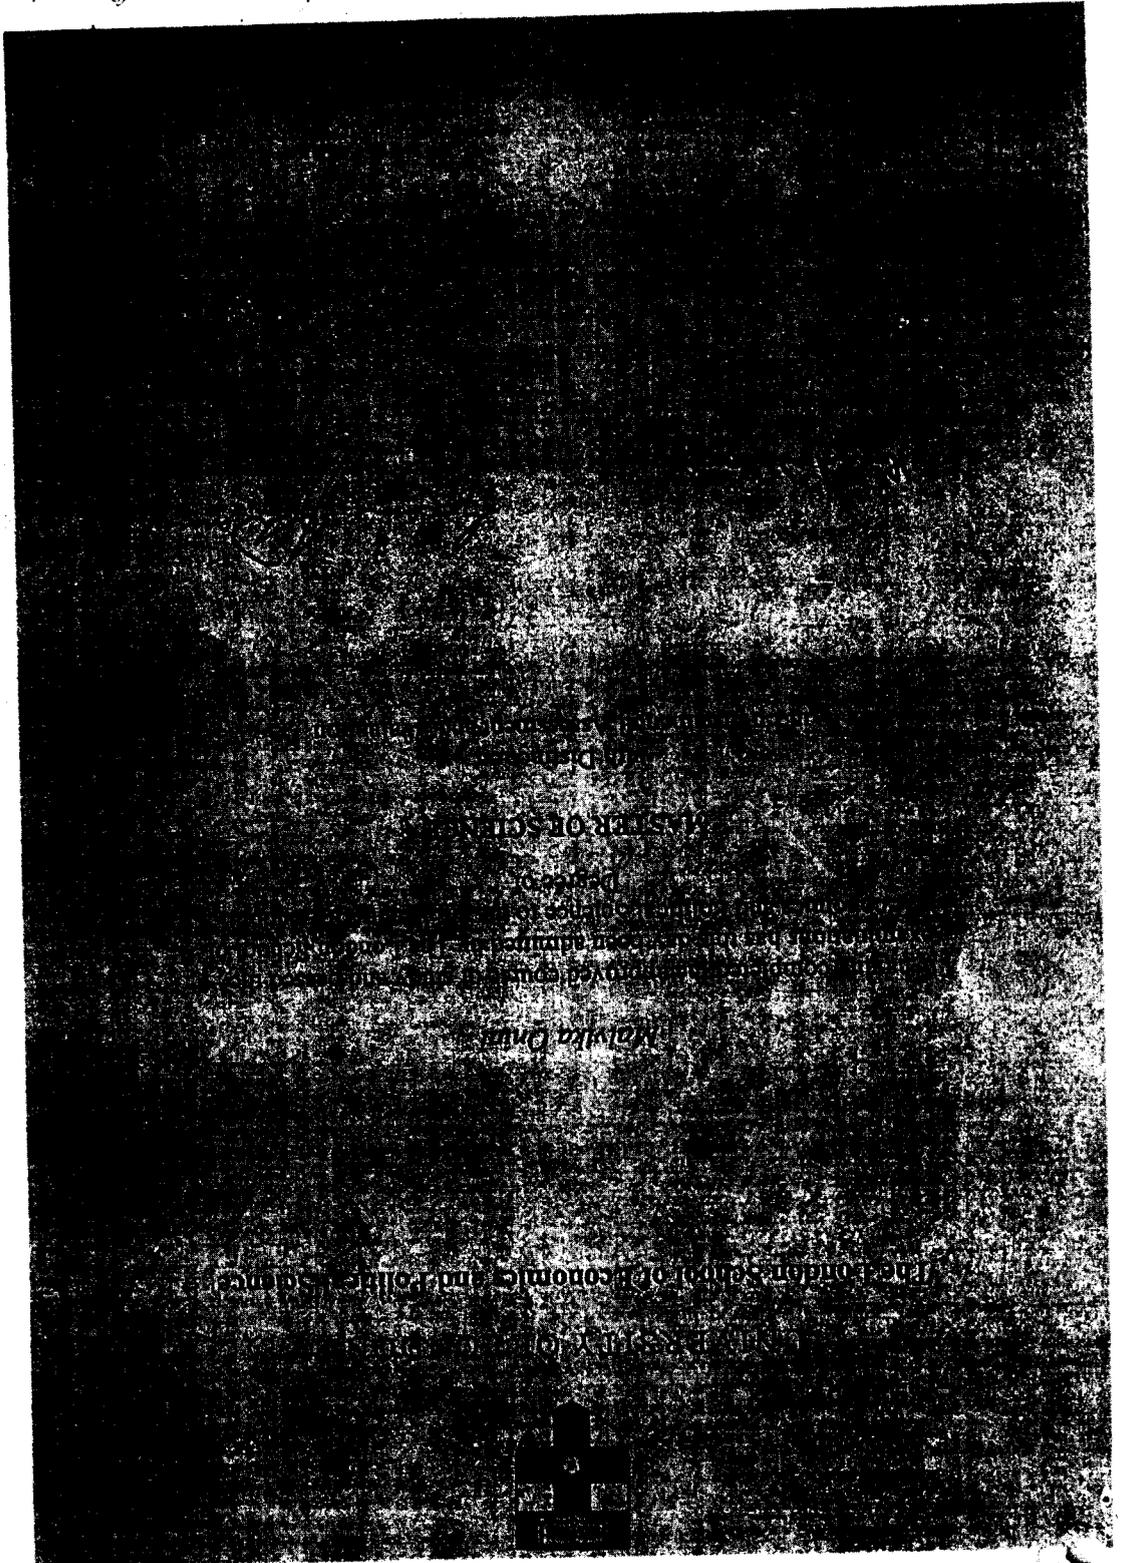

ENCL: 1. Attestation Proforma.  
2. Joining Report Proforma.

Yours faithfully,

  
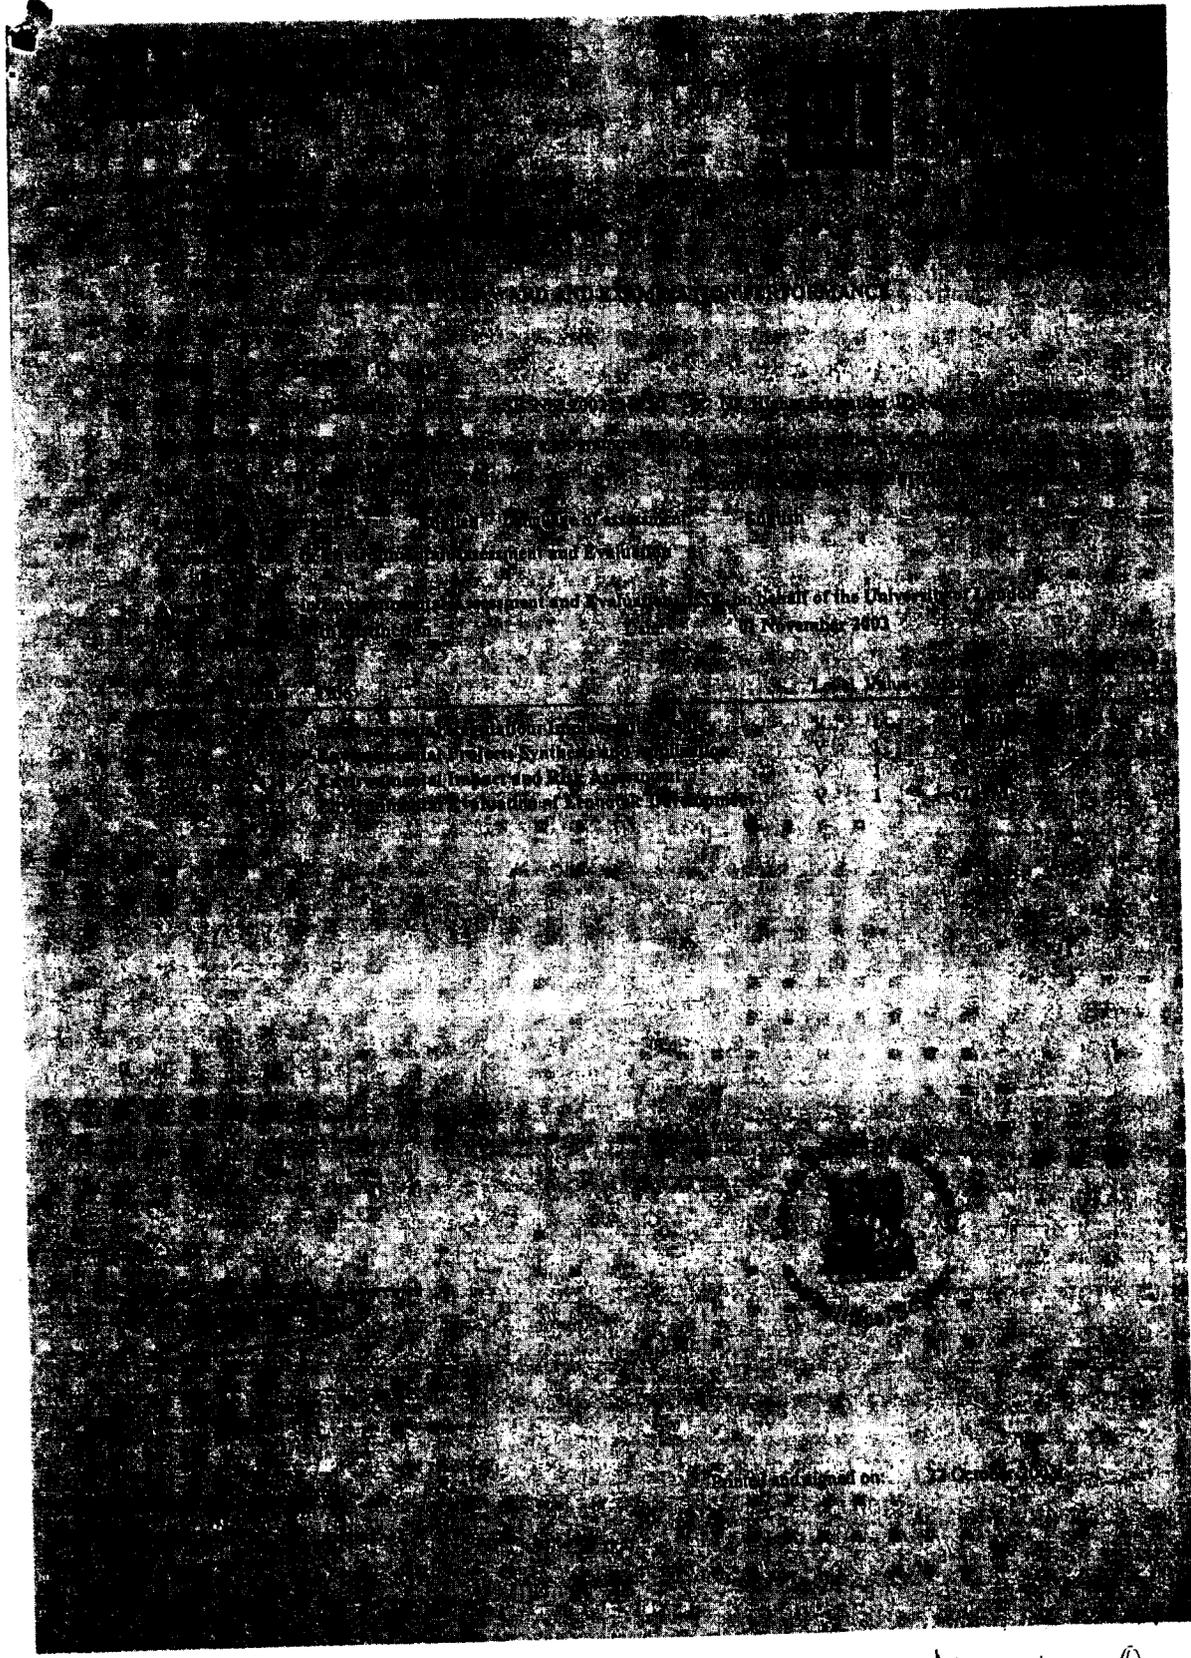

(J. S. MEENA)

2011年8月15日  
2011年8月15日

Dear Madam Sir

**Malvika Onial**  
Date of Birth: 27 December 1977

I am writing to confirm that the above student was studying as a full-time (40 hours) registered Graduate Student at the University of Cambridge as follows

Qualification	Doctor of Philosophy (PhD Degree)
FHEQ Level	FHEQ Level 8
Course Duration	Four Years
Start Date	01 October 2005
Leave to Work Outside Cambridge	Lent, Easter & Michaelmas Terms 2007 and Lent Term 2008 with effect from 01 January 2007 until 15 April 2008.
End Date	15 March 2011
Awarding Body	Board of Graduate Studies, University of Cambridge
Department	Zoology
College	Magdalene College, University of Cambridge
Subject of Research	Responses of biodiversity to agricultural intensification: a study in the upper Gangetic plain, India

The student was granted Leave to Work Outside of Cambridge during this period their subject required them to conduct their research away from Cambridge and they were required to submit work towards their qualification. (This period does count towards their degree)

I can confirm that the University of Cambridge is recognised by Department of Business, Innovation and Skills (BIS) and the UK authorities as having degree awarding powers.

I can confirm that the qualification above is equal to a UK Postgraduate degree level.

The student has successfully passed all required units and the Board of Graduate Studies approved the final award of Doctor of Philosophy (PhD). The student received results of this award on 15 March 2011 and will graduate at a Congregation Ceremony (Awards Ceremony) on a date to be confirmed, at which point the Certificate of Award will be issued.

Yours faithfully

**Kate Maxwell**

**Subject:** Application for the post of Scientist D – work experience reg.

Dear Sir,

In continuation of my application in response to your advertisement (Adv. WII/ADM/2015-16/01) for the post of Scientist D (UR) at the Wildlife Institute of India, please find below the details of my work experience for your kind consideration please:

Period	Duration	Position	Nature of duties	Remarks
20 June to 31 July 2011	1 month and 12 days	Professional Associate and Consultant	Research on biodiversity conservation and development	Copy of invoice attached (No.1)
1 August to 11 October 2011	2 months and 12 days	Professional Associate and Consultant	Research on biodiversity conservation and development	Copy of invoice attached (No.2)
15 November 2011 to 21 March 2013	16 months and 6 days	Research Associate	Developing training and research programmes in natural resource conservation	Copy of certificate attached (No.3)
22 March 2013 to 30 September 2014	18 months and 8 days	Consultant	Preparation of India's Fifth National Report to the CBD and Updating the NBAP	Copy of certificate attached (No.4)
1 October 2014 till date	11 months and 7 days	Scientist	Fulfilling the core mandates of UNESCO C2C at WII	Copy of certificate attached (No.5)

It may kindly be noted that the total work experience as indicated above amounts to 4 years, 1 month and 15 days.

Thanking you,

Sub: Joint CSIR-UGC Junior Research Fellowship (JRF) and Eligibility for Lectureship - National Eligibility Test (NET) held on 1<sup>st</sup> July, 2001.

Sir/Madam,

I am directed to inform you that you have qualified in above examination for consideration for award of Junior Research Fellowship in subject LIFE SCIENCES under the CSIR fellowship schemes. The award of fellowship will be subject to your securing the eligibility conditions contained in the notification published with the application form in the employment news dated 3-9 February, 2001 by verifying age proof, M.Sc (final) marksheet, caste certificate within the validity of one year (i.e upto 31.12.2002) for those who were M.Sc for awarding fellowship by the awarding authorities. "For Result Awaited" M.Sc candidate, the final certificate or the degree along with other relevant papers must be submitted to the awarding authorities before 31.12.2002 otherwise their candidature will be deemed cancelled after 31.12.2002. The offer of CSIR Junior Research Fellowship is valid for a period of one year with effect from 1-1-2002 AND IS NOT EXTENDIBLE.

You have also been declared eligible for lectureship as per the rules of the University Grants Commission. Further information in this regard can be had from the Joint Secretary (NET), University Grant Commission, Delhi University, South Campus, Benito Zaverz Marg, New Delhi 110021.

For the purpose of fellowship, you are advised to get the enclosed form duly completed by the guide and sponsoring institute of your choice and forward the same to the Under Secretary, EMR, CSIR complex, Library Avenue, Pusa New Delhi-110012, along with attested copies of High School/Matriculation / SSC certificate as proof of date of birth, degree of M.Sc and marksheet (55% marks in case of General/OBC and 50% marks for SC/ST), caste certificate in case of SC/ST/OBC candidates on the prescribed proforma issued by the authority notified by the Govt. of India with a recent passport size photo affixed on the joining report. You can not join/avail the fellowship before 1<sup>st</sup> January, 2002 (or the actual date of joining after 1<sup>st</sup> January, 2002).

This letter may be preserved and treated as a certificate.

In the event of your having been found ineligible due to any reason (including unintentional computer error or omission of name, etc.) at any stage in future for the award, the award may be withdrawn by the CSIR at any time. This offer of award of CSIR JRF shall remain open for one year w.e.f. 1-1-2002.

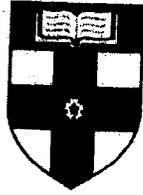

Kindly acknowledge the receipt.

ENCL: 1. Atestation Proforma  
2. Joining Report Proforma.

Yours faithfully,  
(T.S. MEENA)

Head of Graduate Students

Tier 1

**To Whom It May Concern**

15 August 2011

When replying please quote:  
ljh / 300171916 / PhD

Dear Madam/Sir

**Malvika Onial**  
Date of Birth: 27 December 1977

I am writing to confirm that the above student was studying as a full-time (40 hours) registered Graduate Student at the University of Cambridge as follows:

- Qualification** : Doctor of Philosophy (PhD Degree)
- FHEQ Level** : FHEQ Level 8
- Course Duration** : Four Years
- Start Date** : 01 October 2005
- Leave to Work Outside Cambridge** : Lent, Easter & Michaelmas Terms 2007 and Lent Term 2008  
(with effect from 05 January 2007 until 16 April 2008)
- End Date** : 15 March 2011
- Awarding Body** : Board of Graduate Studies, University of Cambridge
- Department** : Zoology
- College** : Magdalene College, University of Cambridge
- Subject of Research** : Responses of biodiversity to agricultural intensification: a study in the upper Gangetic plain, India

The student was granted Leave to Work Outside of Cambridge, during this period their subject required them to conduct their research away from Cambridge, and they were required to submit work towards their qualification. (This period does count towards their degree).

I can confirm that the University of Cambridge is recognised by Department of Business, Innovation and Skills (BIS) and the UK authorities as having degree awarding powers.

I can confirm that the qualification above is equal to a UK Postgraduate degree level.

The student has successfully passed all required units and the Board of Graduate Studies approved the final award of Doctor of Philosophy (PhD). The student received results of this award on 15 March 2011 and will graduate at a Congregation Ceremony (Awards Ceremony) on a date to be confirmed, at which point the Certificate of Award will be issued.

Yours faithfully

**Kate Maxwell**

Dear Miss Onial

I am delighted to be able to advise you that you have been selected to receive a NERC Dorothy Hodgkin Postgraduate Award, tenable in the Department of Zoology at the University of Cambridge. Please see the attached sheet for further information regarding your award.

Please note that this award is subject to approval via the Voluntary Vetting Scheme. Please let me know by 4th April 2005 whether you wish to accept this offer, and I will make the necessary arrangements with the Foreign and Commonwealth Office. This should be no more than a formality, however, and the process should take no longer than 3 weeks. It is preferable that you reply by email to Miss Kathleen White (kfw20@admin.cam.ac.uk) so that we can hasten the process.

If you wish to accept this award, please sign one copy of this letter and return it to me. Please note you must take up your place at Cambridge no later than April 2006 to be eligible to receive a Dorothy Hodgkin Award.

May I take this opportunity to congratulate you on winning this highly prestigious award.

Yours sincerely

Laurie Friday

OFFICE MEMORANDUM

**Sub: Award of Junior Research Fellowship at Wildlife Institute of India, Dehradun.**

1. With the approval of the Competent Authority, Ms. Malvika Onial is hereby offered the position of Junior Research Fellow (WII-EIA Cell) in Wildlife Institute of India, Dehradun in accordance with Wildlife Institute of India Rules for the Award of Fellowships (2004).
2. She will work under the supervision and guidance of Dr. Asha Rajvanshi, Senior Reader and Nodal Officer (WII-EIA Cell) in this Institute and would report to her for further orders.
3. The salient provisions of this offer are as under:

(i) **Duration :**

The fellowship is on purely temporary basis, initially for a period of two years from the date of her joining at this Institute and is likely to be extended for further periods, as required. However, it can be terminated without notice or without assigning any reason thereof, if her performance is not found to be satisfactory, purely at the discretion of the Institute Management.

(ii) **Emoluments :**

A consolidated amount of Rs. 8000/- (eight thousand) only per month as fellowship will be paid to her.

(iii) **DA, CCA, HCA, etc. :**

She will not be entitled to these allowances.

(iv) **House Rent Allowance & Medical Benefits:**

She will be provided either the hostel accommodation or a suitable accommodation at the place of field research station. In absence of such a facility she will be paid HRA as per the rules of the Institute. For this purpose, the amount of fellowship will be taken as basic pay. She will be eligible for medical benefits for self as per the rules of the Institute.

(v) **Hostel facilities at WII -** She is required to deposit Refundable Caution Money of Rs. 2,500/- and Hostel Mess Advance of Rs. 1200/- at the time of occupying a room in the WII, hostel.

(vi) **Leave :**

She will be entitled to avail the usual benefits of casual leave.

(vii) **Bonus and LTC** : Not admissible

(viii) **Retirement benefits** : Not admissible

(ix) She will not be entitled to any travelling allowance for joining this Institute.

Contd...2..

- (x) Award of fellowship will be subject to her being found medically fit. For this purpose she is required to submit a medical fitness certificate issued by a Registered Medical Practitioner at the time of joining.
  - (xi) At the time of joining the Institute she will have to submit two financial sureties from responsible persons (viz. Group 'A' and 'B' employees of Central Government/State Government/Autonomous Institutions under Central/State Government, Universities, etc.) for Rs. 10,000/- (Rupees Ten thousand only) each. Proforma for the financial security is enclosed. At the time of joining, she shall be required to produce copies of documents related to educational and professional experience, certificate regarding her release from her present employer, if any.
  - (xii) The present offer may be extended beyond two years for such a periods as may be required by the Institute for its research/ project work. This does not give any right or priority to her for any ad-hoc or regular employment in the Institute. The offered fellowship can be terminated at any time by one month's notice given by either side namely, the research fellow or the Director, WII. However, the Director, Wildlife Institute of India reserves the right of terminating her fellowship forthwith or before the expiry of the stipulated period of notice by making payment to her a sum equivalent to the fellowship amount for the period of notice or un-expired portion thereof.
4. After joining this Institute she may be required to participate in the course work and on the completion of course work period she will be able to start the research/ project work.
  5. If this offer of fellowship is acceptable to her on the aforesaid terms and conditions, she should communicate her acceptance on or before **26th November, 2004** to this office and join this Institute on or before **6th December, 2004** positively. In the case of failing to do so, this offer of fellowship will be automatically treated as cancelled.
  6. The Junior Research Fellow (JRF) is not an employee of the Institute and the JRF cannot claim any rights, benefits, facilities, perks or perquisites, as are available and as admissible to the Regular/Confirmed employees of the Institute. Neither can the JRF claim the same as of right.

WII-EIA(AR)/MALVIKA(JRF)/04

Dated: 22<sup>nd</sup> August, 2005

**To Whom It May Concern**

I have pleasure in testifying that Ms. Malvika Onial worked as a Project Personnel in the Environmental Impact Assessment Cell of this Institute for the period from June 2001 - October 2002. After acquiring a Masters in Environmental Assessment and Evaluation from the London School of Economics and Political Science, University of London, Malvika returned to work in the Environmental Impact Assessment Cell of the Institute during November 2004 - August 2005.

It gives me immense pleasure to place on record my assessment of Ms. Malvika Onial's academic and professional profile. Malvika holds a brilliant academic record. She is a highly motivated scholar with a penchant to effectively contribute towards wildlife conservation. During her placement in EIA Cell, Malvika contributed very effectively in training and EIA initiatives and in organizing and conducting workshops and seminars for officers from the Indian Forest Service and corporate organizations. She is a highly committed and competent scholar and a keen professional with proven analytical and practical skills for undertaking independent and original work. Her keen insight, analytical mind and pursuit for excellence in her endeavors are her great strengths as a professional. Her humility and spirit of camaraderie are the special qualities that were greatly appreciated by her colleagues and faculty of the Institute while she worked at this Institute.

Besides being a competent environmental scientist currently pursuing her doctoral research on *-The effects of human land-use and biodiversity* at the University of Cambridge, United Kingdom, She is a good communicator and an excellent team person. Malvika has special interest in Ornithology and is a keen birder.

I wish her success in her future academic and professional endeavors.

Dear Ms Onial

**Postgraduate Fellowship**

I am pleased to inform you that you became a Postgraduate Fellow on 16 January 2006 and I enclose your membership card and Spring Bulletin. A direct debit form and gift aid form are enclosed and if you did not include one with your application it would be appreciated if you are able to sign and return them.

The Monday evening lectures are free to Postgraduate Fellows and you do not need to book seats. You are welcome to bring a guest on the Monday evenings that are listed as "+ one guest". Please book for the suppers after the lectures about a week ahead. Non-Society events can be booked by contacting the organisers. Lunches are served each day from 12.30 – 2pm (there is no need to book unless bringing a large party) and coffee and tea are available in the "Tea Room" until 5.30pm.

The Picture Library site is now live on the website, you can find it at - <http://images.rgs.org/>

Please contact the Membership Office on 020 7591 3080 if you have any queries about the membership.

Yours sincerely

Dear Ms Onial

On behalf of the Trustees, I am writing to say how pleased we were to learn that you have won a Dorothy Hodgkin Postgraduate Award tenable at Cambridge from October 2005, and to inform you that the Trustees have awarded you the status of an Honorary Cambridge Commonwealth Trust Scholar, tenable in conjunction with your Dorothy Hodgkin Postgraduate Award.

This honorary status entitles you to be elected a Fellow of the Cambridge Commonwealth Society under the patronage of His Royal Highness The Prince of Wales. The Cambridge Commonwealth Society brings together in one association all the Trust's scholars so that they may achieve a corporate identity and unity of purpose which the multiplicity of the Trust's schemes might otherwise inhibit. The Trustees believe that the outstanding scholars who are Fellows of the Society will make it a force for good throughout the Commonwealth.

Yours sincerely

Subject: Invitation for Guest Lecture on Environmental Impact Assessment

Dear Dr. Malvika **O**niyal,

I would like to take this opportunity to thank you for your valuable inputs and comments for the design of the course structure of "Environmental Impact Assessment" which is a 4-Credit Elective Course for the M.A. Environment and Development Programme at the School of Human Ecology. It is a privilege to have you in the course team with your expertise and teaching experience in the area of environmental impact assessment and environmental economics.

We do anticipate that our students could gain greatly by learning from a practitioner in this area. In this regard, I would like to request you on behalf of the School of Human Ecology, to deliver a few lectures on 'Legal and Governance Issues in EIA' and 'Strategic Environmental Assessment', as part of this course package. We would be happy to have a flexible schedule for your lectures according to your availability and commitments at your Institute.

Best Regards,

Sincerely,

(Suresh Babu)
